Information about the collection of personal data and contact details of the person responsible

Following we inform you about the handling of your personal data when using our app. Personal data are all data that can or could identify you personally. Responsible for the data processing in connection with this application within the meaning of the General Data Protection Regulation (GDPR) is

aitronic GmbH, Balhorne Field 10, 33106 Paderborn, Germany

phone .: + 49-(0) 5251 29816-0, fax: + 49-(0) 5251 29816-40, e-mail: info@aitronic.de

The person responsible for the processing of personal data is the natural or legal person who, alone or with others, decides on the purposes and means of processing personal data. For security reasons and to protect the transfer of personal data and other confidential content, this app uses an SSL or TLS encryption.

Data collection when using our app

For the purely informational use of the application, no data is submitted to our servers (license or web server). To activate the full functionality of the application, data is transmitted to our server in an automated process that identifies your device at our license server in order to entitle you to use the app. In addition, we collect data that your device normally transmits to inquiries to web servers (so-called "server log files"). When you access our license servers, we collect the following information that is technically necessary for us to enable you to unlock the full scope of the application and to safeguard our legitimate interest in the functionality of the app as well as securing our license terms:

- The requested website of the license server
- Date and time at the time of access
- Amount of data sent in bytes
- Source / reference from which you came to the site
- Browser used
- Operating system used
- anonymized IP address
- Device identification number (e.g., device IMEI)

If you do not agree with the automated activation, please contact the aitronic GmbH Support for alternative options.

The processing is carried out in accordance with Art. 6 para. 1 lit. f GDPR based on our legitimate interest in improving the stability and functionality of our app. A transfer or other use of the data does not take place. However, we reserve the right to retrospectively check the server logfiles should concrete evidence point to unlawful use.

Permissions of the application

Our app needs some permissions to operate. Permissions that you do not want to agree with can be declined from our Android 6.0 devices on. However, this reduces the functionality of the application and may cause

some functions to stop working. In the following we explain the necessary, privacy-relevant rights:

- READ_PHONE_STATE - "Make and manage phone calls" This permission is required on Android to read the device identification number (IMEI). This is necessary to verify your device and license for use. No telephone calls are made and no other data is used.
- CAMERA - "Take pictures and videos" This permission is needed to use the barcode scanner installed in our devices. This is usually implemented on Android as a camera and thus the application needs this permission.
- WRITE_EXTERNAL_STORAGE - "Access photos, media and files on your device" This permission is needed to write and read the Devin configuration files to your phone memory.

Contact

When contacting us (for example by e-mail), personal data is collected. These data are stored and used solely for the purpose of answering your request or for establishing contact and the associated technical administration. The legal basis for processing the data is our legitimate interest in answering your request in accordance with Art. 6 para. 1 lit. f GDPR. If your contact is aimed at concluding a contract, then additional legal basis for the processing is Art. 6 para. 1 lit. b GDPR. Your data will be deleted after final processing of your request, this is the case if it can be inferred from the circumstances that the matter in question is finally clarified and provided that no statutory storage requirements are in conflict.
